

FEBRUARY 28-APRIL 4, 2017

MASTER GARDENER

TRAINING

Become a certified Master Gardener

Through this program, individuals are trained and certified in consumer horticulture and related areas.

In exchange for 40 hours of educational training, individuals are required to return 40 hours of volunteer service within one year of their training. This service should help county Extension offices with horticulture projects that benefit their local communities.

After the first year, volunteers are required to return 20 hours of volunteer service and to attend 12 hours of educational training to remain certified as Master Gardeners. The cost of the class is \$90.00, this fee includes course manual & CD plus one year's membership to the MS and Lee County Master Gardener Associations.
