

How to file a complaint from your smartphone:

1. Depending on your device, open the App Store or Google Play and search for the FREE “MS No Call” App
2. On the home screen of the app select “file a complaint.”
3. Enter your registered number the first time. The app will save your number for future complaints.
4. Enter the telemarketer’s telephone number and let us know if they contacted you via phone call or text message.
5. Enter the date and time of the communication and select “Next.”
6. Answer the questions on the next page and tell us what the caller was trying to sell you.
7. Submit your complaint.

Thank you for aiding us in prosecuting these predatory callers. Every complaint you file helps! –
